

Fighting Illini

10/29/05

BRITTANY,

Our season is in full swing now. Having practiced for almost two weeks, things are starting to take shape. Our girls can't wait to get on the hardwood for a game.

Good luck in the coming month, and be sure to keep us posted on your accomplishments. If you haven't already done so please send us a schedule of your games as soon as you receive it from your coach.

Until Next Time.....

**HAPPY HALLOWEEN
FROM THE
